

EMAIL POLICY

**If sending e-mail traffic the publisher is required to follow Together Networks e-mail policy:

1. Mailings must not in any way refer to Together Networks mail servers, their IP-addresses and hostnames.
2. The use of Together Networks IP-networks is prohibited.
3. Together Networks domain names cannot be used in their traditional spelling in From, Envelope From, To, Reply-To, Organization, Subject, Received and other fields of the e-mail template.
4. Exact domain names cannot also be used in headers, any URLs, Subject line and Unsubscribe links.
5. The use of Together Networks domain names (unlike site names) in the body of e-mails is prohibited in any form. (i.e. Benaughty or Be Naughty - possible, Benaughty.com - forbidden).
6. Together Networks e-mail policy operates zero spam tolerance. Therefore all e-mails promoting Together Networks offers must not have any attributes defining them as spam. Neither must they contain information which may be considered offensive, racist or obscene, or any other false, misleading or deceptive information that violates any of the applicable rules and regulations, including but not limited to the laws of the countries e-mails are sent to. We reserve the right to take all necessary measures in relation to violations detected, which may result in suspension or immediate termination of any affiliate account without further prior notice.
7. An e-mail must not contain any GIF/JPEG/PNG images that are binary identical to images used on Together Networks sites and in Together Networks own mailings.
8. Unsubscriptions, hard and soft bounces must be managed not on Together Networks side.
9. Ready e-mail templates must be approved by Together Networks representative.
